

Wersell' s Bike Shop

For over 70 years, Wersell' s has been a Toledo area full service bike shop. New and used bikes and all of the supplies you need to have fun while cycling.

The Wersell family wants to expand their Toledo pride and support local non-profits doing great work. Jill and her team have adopted Read for Literacy and created, **Glow Roll 419** to support these literacy programs.

Glow Roll 419 RULES

- Children under 13 must ride with an adult on the routes. All participants will sign a waiver to ride.
