

Virginia and Ernest Saylor Young Readers Fund

Read for Literacy, Inc. and the Saylor Family are honored to establish the Virginia and Ernest Saylor Young Readers Fund in honor of the 50th Wedding Anniversary of this wonderful and giving couple.

The gifts made to this fund will be used for the Creating Young Readers Line of Service.

Creating Young Readers was started in 2006 and allows volunteers the opportunity to work with children ages 3-8 who are at risk of falling behind in literacy skills. Above all is sharing the joy of books with children who might not otherwise experience reading with a caring adult. More than 700 children are served annually in this program.

Saylor Young Readers Fund

will support background checks for volunteers, volunteer training and management, purchase of books for children to have at home, and parent activity sheets to engage families in literacy during evening story time.
